DIARRHOEAL DISEASE CONTROL PROGRAMME  
PROGRAMME DE LUTTE CONTRE LES MALADIES DIARRHEIQUES

BILINGUAL  
BILINGUE

CURRENTLY AVAILABLE PUBLICATIONS AND DOCUMENTS ON  
DIARRHOEAL DISEASES

MALADIES DIARRHEIQUES - PUBLICATIONS ET DOCUMENTS DISPONIBLES

Available only in the language shown  
unless otherwise stated, e.g., A, C, E, F, P, R, S  
(Arabic, Chinese, English, French, Portuguese, Russian, Spanish)

Disponibles uniquement dans la langue du titre sauf indication contraire  
(par exemple: A= arabe, C= chinois, E= anglais, F= français, P= portugais,  
R= russe, S= espagnol)

1. MANAGEMENT AND GENERAL INTEREST  
GESTION ET DOCUMENTS D'INTERET GENERAL

1.1 Diarrhoeal Disease Control Programme  
Programme de lutte contre les maladies diarrhéiques

- Diarrhoeal Diseases Control Programme - Fact sheet. CDD/83.1 Rev.4 (1988) (EF)
- Global medium-term Programme - Programme 13.6 (1990-1995). CDD/MTP/87.1 (1987) (EF)
- Sixth Programme Report, 1986-1987. WHO/CDD/88.28 (1988) (EF)
- Seventh Programme report, 1988-1989. WHO/CDD/90.34 (1990) (EF)
- \* Interim Programme report, 1990. WHO/CDD/91.36 (1991) (EF)
- Programme on diarrhoeal diseases control - resolution WHA31.44 (May 1978).  
In: Handbook of Resolutions and Decisions of the World Health Assembly and the Executive Board, Vol. II, 5th ed. (1973-1982), 1983, p. 130 (EF)
- Diarrhoeal Diseases Control Programme - resolution WHA35.22 (May 1982).  
In: Handbook of Resolutions and Decisions of the World Health Assembly and the Executive Board, Vol. II, 5th ed. (1973-1982), 1983, p. 131 (EF)
- Diarrhoeal Diseases Control Programme - Progress report by the Director-General. A40/4 (1987) (ACEFRS)
- Diarrhoeal diseases control (resolution). WHA40.34 (1987) (ACEFRS)
- \* WHO steps up programmes against child-killing diseases. WHO Features, No. 159 (1991) (EF)
- \* Diarrhoeal and acute respiratory disease: The current situation.  
In Point of Fact, No. 76 (1991) (EF)
- Report of the eleventh meeting of the Technical Advisory Group (Geneva, 7-8 March 1990). WHO/CDD/90.33 (1990) (EF)
- \* Report of the twelfth meeting of the Technical Advisory Group (Geneva, 18-22 March 1991). WHO/CDD/91.35 (1991) (EF)
- Report of the tenth meeting of the Management Review Committee (New York, 30 March 1990). CDD/ARI/MRC/90.1 (1990) (EF)
- \* Report of the eleventh meeting of the Management Review Committee (Geneva, 11 April 1991). CDR/MRC/91.1 (1991) (EF)
- Report of the tenth Meeting of Interested Parties (Geneva, 28-29 June 1990) CDD/ARI/MIP/90.16 (1990) (EF)

\*

New or revised items  
Documents nouveaux ou révisés

\*Report of the eleventh Meeting of Interested Parties (Geneva, 27-28 June 1991)  
CDR/MIP/91.11 (1991) (EF)

Proposed Programme budget for the financial period 1992-1993. CDD/91.1 (1991)  
(EF)

1.2 Diarrhoeal diseases - General  
Maladies diarrhéiques - Général

Diarrhoeal diseases control (illustrated brochure), 2nd ed. WHO/CDD Rev. 1  
(1986) (A, E/F, E/S)

Diarrhoeal Diseases. World Health, April 1986 issue (EFGPRS)

Martinez, C.A., Barua, D. & Merson, M.H. Control of diarrhoeal diseases.  
World Health Statistics Quarterly, 41: 74-81 (1988) (E,F summary)

Claeson, M. & Merson, M.H. Global progress in the control of diarrhoeal  
diseases. Pediatric Infectious Disease Journal, 9: 345-355 (1990)

Snyder, J.D. & Merson, M. The magnitude of the global problem of acute  
diarrhoeal disease: A review of active surveillance data. Bulletin of the  
World Health Organization, 60: 605-613 (1982)

Cholera, 1963-1982. World Health Statistics Annual, 1983 (1983) (EF)

\*Cholera in 1990. WHO Weekly epidemiological Record, 66: 133-136 (1991) (EF)

\*Cholera (resolution of the World Health Assembly). WHA44.6 (1991) (ACEFRS)

\*Cholera: The epidemic in Peru - Part I. WHO Weekly epidemiological Record,  
66: 61-63 (1991) (EF)

\*Cholera: The epidemic in Peru - Part II. WHO Weekly epidemiological Record,  
66: 66-70 (1991) (EF)

\*Cholera in Peru: Update, May 1991. WHO Weekly epidemiological Record,  
66: 141-145 (1991) (EF)

\*Cholera in Africa. WHO Weekly epidemiological Record, 66: 305-311 (1991) (EF)

Cryptosporidiosis. CDD/88.1 (1988) (EF)

Barua, D. & Kaferstein, F.K. The role of food in the epidemiology of acute  
enteric infections and intoxications. EFP/FOS/83.48 Rev. 1 (1983)

WHO/NLM Bibliography of acute diarrhoeal diseases. WHO/CDD/BIB/... series -  
2 issues per year (1981 - )

Diarrhoeal diseases - Bibliographic bulletin. Nos 1 ... (1982 - ). Paris,  
International Children's Centre (EF)

Oral rehydration: an annotated bibliography. PAHO/WHO Scientific Publication  
No. 445, 2nd ed. (1983) (EFS)

2. HEALTH SERVICES  
SERVICES DE SANTE

2.1 National programme reports  
Rapports sur les programmes nationaux

2.1.1 Programme reviews  
Examens de programmes

Diarrhoeal Diseases Control Programme - Philippines. WHO Weekly epidemiological Record, 59: 30-32 (1984) (EF)

Country programme review - Indonesia. WHO Weekly epidemiological Record, 60: 197-204 (1985) (EF)

Diarrhoeal Diseases Control Programme - Nicaragua. WHO Weekly epidemiological Record, 60: 93-100 (1985) (EF)

Country programme review - Egypt. WHO Weekly epidemiological Record, 61: 32-24 (1986) (EF)

Diarrhoeal Diseases Control Programme - Sudan. WHO Weekly epidemiological Record, 61: 281-282 (1986) (EF)

Comprehensive programme review - Nepal. WHO Weekly epidemiological Record, 62: 85-87 (1987) (EF)

Control of diarrhoeal diseases and Expanded Programme on Immunization - Programme review, Thailand. WHO Weekly epidemiological Record, 62: 283-285 (1987) (EF)

Country programme review - Sri Lanka. WHO Weekly epidemiological Record, 62: 346-348 (1987) (EF)

Comprehensive programme review - Ethiopia. WHO Weekly epidemiological Record, 62: 377-380 (1987) (EF)

Comprehensive programme review - Viet Nam. WHO Weekly epidemiological Record, 63: 293-298 (1988) (EF)

Comprehensive programme review - Angola. WHO Weekly epidemiological Record, 63: 365-369 (1988) (EF)

Comprehensive programme review - Niger. WHO Weekly epidemiological Record, 64: 157-159 (1989) (EF)

Comprehensive programme review - Sudan. WHO Weekly epidemiological Record, 64: 313-315 (1989) (EF)

Comprehensive programme review - Cuba. WHO Weekly epidemiological Record, 65: 143-146 (1990) (EF)

2.1.2 Surveys  
Enquêtes

Morbidity, mortality and treatment surveys - Sudan. WHO Weekly epidemiological Record, 62: 361-363 (1987) (EF)

Dabis, F. et al. Monitoring selective components of primary health care: Methodology and community assessment of vaccination, diarrhoea, and malaria practices in Conakri, Guinea. Bulletin of the World Health Organization, 67: 675-684 (1989)

Diarrhoea case management survey - Philippines. WHO Weekly epidemiological Record, 65: 21-24 (1990) (EF)

Household surveys - China. WHO Weekly epidemiological Record, 65: 349-351 (1990) (EF)

\*Diarrhoeal morbidity and case management survey - Morocco. WHO Weekly epidemiological Record, 66: 89-91 (1991) (EF)

\*Household survey of diarrhoea case management - Nepal. WHO Weekly epidemiological Record, 66: 273-276 (1991) (EF)

\*Barros, F.C. et al. Management of childhood diarrhoea at the household level: A population-based survey in north-east Brazil. Bulletin of the World Health Organization, 69: 59-65 (1991)

2.2 Education and training  
Education et formation

Training course for Programme Managers. Set of 7 modules with course director and facilitator guides. Revised 1988. (EFPS)

Supervisory Skills training course. Set of 7 modules with course director and facilitator guides. Revised 1987. (AEFPS)

Diarrhoea Training Unit:

Director's guide. CDD/SER/86.1 Rev.1 (1988) (EFPS)

Teaching materials. CDD/SER/88.1 (1988) (EFPS)

Lectures for training courses on the clinical management of acute diarrhoea (6 lectures and accompanying slides). CDD/SER/88.2 (1988) (EFPS)

Diarrhoea management training course:

Guidelines for conducting clinical training courses at health centres and small hospitals. CDD/SER/90.2 (1990) (EFPS)

\*Notes on the organization of training of trainers. CDD/SER/91.3 (1991) (EF)

Participant manual. CDD/SER/90.3 (1990) (EFPS)

Strengthening the teaching of diarrhoeal diseases in medical schools:

Readings on diarrhoea: Student manual. WHO/CDD/SER/90.13 (1990) (EFS)

\* Strengthening the teaching of diarrhoeal diseases to medical students.  
CDD/SER/91.1 (1991) (EF)

2.3 Manuals and guidelines  
Manuels et guides

2.3.1 Diarrhoea case management  
Prise en charge des cas de diarrhée

Pierce, N.F. & Hirschhorn, N. Oral fluid - a simple weapon against dehydration in diarrhoea. How it works and how to use it. WHO Chronicle, 31: 87-93 (1977) (EFRS)

The management of diarrhoea and use of oral rehydration therapy - A joint WHO/UNICEF Statement. 2nd ed. (1985) (AEFS)

A manual for the treatment of diarrhoea - for use by physicians and other senior health workers. WHO/CDD/SER/80.2 Rev. 2 (1990) (EF)

Treatment and prevention of acute diarrhoea - Practical guidelines. 2nd ed. (1989) (AEFPS)

Provision and production of oral rehydration salts in national programmes. CDD/SER/83.1 Rev. 1 (1983) (EF)

Oral rehydration salts: Planning, establishment and operation of production facilities. WHO/CDD/SER/85.8 (1985) (EFS)

Use of locally available drinking water for preparation of oral rehydration salt (ORS) solution. CDD/SER/81.1 Rev. 1 (1985) (EFS)

Oral rehydration therapy for treatment of diarrhoea in the home. WHO/CDD/SER/86.9 (1986) (EFS)

The treatment of acute diarrhoea - Information for pharmacists. WHO/CDD/SER/87.11 (1987) (AEFS)

Manual de tratamiento de la diarrea. Serie PALTEX para ejecutores de programas de salud, No. 13. PAHO (1987)

Savage King, F. Helping mothers to breast feed. Nairobi, African Medical and Research Foundation (1985)

\* Home treatment of acute diarrhoea: Programmatic and research issues. CDD/ARI/MIP/90.9 (1990) (EF)

- \* Household management of diarrhoea and acute respiratory infections: Report of a scientific meeting. (Occasional paper No. 12) The Johns Hopkins University, Baltimore (1990)
- \* Ten steps to successful breast-feeding (1991) (EFS)
- \* Jelliffe, D.B. & Jelliffe, E.F.P. Dietary management of young children with acute diarrhoea: A manual for managers of health programmes. 2nd ed. (1991) (EF)

2.3.2 Epidemic control  
Lutte contre les épidémies

Guidelines for cholera control. WHO/CDD/SER/80.4 Rev. 2 (1991) (AEFS)

Cholera information kit (1991)

- \* A guide on safe food for travellers: How to avoid illnesses caused by unsafe food and drink and what to do if you get diarrhoea. WHO/FOS/91.1 (1991) (AEFS)
- \* Cholera: Small risk of cholera transmission by food imports. WHO Weekly epidemiological Record, 66: 55-56 (1991) (EF)

Guidelines for the control of epidemics due to Shigella dysenteriae 1.  
WHO/CDD/SER/88.12 (EF)

2.3.3 Surveys/evaluation  
Enquêtes/évaluation

Minimum evaluation procedure (MEP) for water supply and sanitation projects.  
ETS/83.1 - CDD/OPR/83.1 (1983)

Maximizing benefits to health - an appraisal methodology for water supply and sanitation projects. ETS/83.7 (1983)

Measuring the impact of water supply and sanitation facilities on diarrhoea morbidity: Prospects for case-control methods. WHO/CWS/85.3 - CDD/OPR/85.1 (1985) (EF)

Household survey manual - Diarrhoea case management, morbidity, and mortality.  
CDD/SER/86.2 Rev. 1 (1989) (EFS)

- \* Drug use addendum - for use in conjunction with the household survey manual.  
CDD/SER/91.2 (1991) (EF)

Health facility survey manual: Diarrhoea case management. CDD/SER/90.1 (1990) (EF)

Guidelines for conducting a comprehensive review of a diarrhoeal diseases control programme, including examples of data collection forms. CDD/SER/86.3 (1986) (EF)

Estimating costs for cost-effectiveness analysis - Guidelines for managers of diarrhoeal diseases control programmes. CDD/SER/88.3 (1988) (EFS)

- \*Evaluating the progress of national CDD programmes: Results of surveys of diarrhoeal case management. WHO Weekly epidemiological Record, 66: 265-270 (1991) (EF)
- \*Indicators for assessing breast-feeding practices: Report of an informal meeting, 11-12 June 1991, Geneva, Switzerland. WHO/CDD/SER/91.14 (1991) (EF)

#### 2.3.4 Communication

Communication - A guide for managers of national control of diarrhoeal diseases programmes - Planning, implementation and appraisal of communication activities. CDD/SER/87.2 (1987) (EFS)

Talking with mothers about diarrhoea: A workshop for physicians. Arlington, VA, Technologies for Primary Health Care (PRITECH) (c1988)

#### 2.4 "Update" series Série "Le Point"

- Diarrhoeal diseases morbidity, mortality and treatment surveys. Update No. 1, March 1987 (EF)
- Oral rehydration salts (ORS). Update No. 2, November 1987 (EF)
- Vitamin A and diarrhoea. Update No. 3, July 1988 (EF)
- Persistent diarrhoea. Update No. 4, March 1989 (EF)
- Rotavirus vaccines. Update No. 5, March 1989 (EF)
- New guidelines - Cost-effectiveness analysis for CDD Managers. Update No. 6, April 1989 (EF)
- Rice-based ORS. Update No. 7, August 1990 (EF)
- \*Revision of the diarrhoea treatment chart. Update No. 8, December 1990 (EF)
- \*Breast-feeding and the use of water and teas. Update No. 9, August 1991 (EF)

#### 2.5 Technical papers Documents techniques

##### 2.5.1 Oral rehydration therapy Thérapie par réhydratation orale

Finberg, L., Mahalanabis, D. & Nalin, D., Oral therapy for dehydration in acute diarrhoeal diseases with special reference to the global Diarrhoeal Diseases Control Programme. BAC/DDC/79.1 (1979) (EF)

Oral rehydration salts (ORS) formulation containing trisodium citrate. WHO/CDD/SER/84.7 Rev. 1 (1985) (EFPS)

Merson, M.H. Oral rehydration therapy - from theory to practice.  
WHO Chronicle, 40: 116-118 (1986) (ACEFRS)

Tulloch, J. & Burton, P. Global access to oral rehydration salts and use of oral rehydration therapy. World Health Statistics Quarterly, 40: 110-115 (1987) (E/F)

A simple solution: How oral rehydration is averting child death from diarrhoeal dehydration. New York, UNICEF (1987)

Merson, M.H. Proper treatment of diarrhoea: role of the pharmacist.  
International Pharmacy Journal, 1: 52-56 (1987) (EF)

Impact of oral rehydration therapy on hospital admission and case-fatality rates for diarrhoeal disease: Results from 11 countries. WHO Weekly epidemiological Record, 63: 49-52 (1988) (EF)

Evaluation of oral rehydration therapy - Malawi. WHO Weekly epidemiological Record, 62: 329-332 (1987) (EF)

Heymann, D.L. et al. Oral rehydration therapy in Malawi: Impact on the severity of disease and on hospital admissions, treatment practices, and recurrent costs. Bulletin of the World Health Organization, 68: 193-197 (1990)

Cost-effectiveness analysis of oral rehydration therapy - Lesotho. WHO Weekly epidemiological Record, 65: 275-279 (1990) (EF)

Diarrhoeal dehydration - easy to treat but best prevented. World Health Forum, 10: 110-115 (1989) (AEFS)

Phillips, M., Kumate-Rodriguez, J., & Mota-Hernandez, F. Costs of treating diarrhoea in a children's hospital in Mexico City. Bulletin of the World Health Organization, 67: 273-280 (1989)

Home treatment of acute diarrhoea: Programmatic and research issues.  
CDD/ARI/MIP/90.9 (1990) (EF)

#### 2.5.2 Drug therapy Chimiothérapie

Drugs in the management of acute diarrhoea in infants and young children.  
WHO/CDD/CMT/86.1 Rev.1 (1988) (EFP)

The rational use of drugs in the management of acute diarrhoea in children  
(1990) (EFS)

\*Rational management of diarrhoea in children. Essential Drugs Monitor, No. 11, 10-11 (1991) (EFS)

#### 2.5.3 Dietary management Prise en charge diététique

Traditional practices concerning dietary management during and after diarrhoea (with special reference to acute dehydrating diarrhoea in young children).  
NUT/86.5 (1986)

2.5.4 Prevention and control  
Prévention et lutte

de Araoz, J. et al. Principles and practice of cholera control. WHO Public Health Papers, No. 40, 2nd ed., 1978 (English); 1st ed., 1970 (French, Russian, Spanish)

Report of the WHO Consultation on Veterinary Public Health Aspects of Prevention and Control of Campylobacter infections (Moscow, 20-22 February 1984). VPH/CDD/FOS/84.1 (1984)

Amoebiasis and its control - A WHO meeting. Bulletin of the World Health Organization, 63: 417-426 (1985) (French version: Bulletin of the World Health Organization, 63: 821-831, 1985).

Prevention and control of intestinal parasitic infections. Report of a WHO Expert Committee. WHO Technical Report Series, No. 749 (1987) (EF)

Stanton, B.F. et al. Twenty-four hour recall, knowledge-attitude-practice questionnaires, and direct observations of sanitary practices: A comparative study. Bulletin of the World Health Organization, 65: 217-222 (1987)

3. RESEARCH  
RECHERCHE

3.1 Scientific reviews (1982 - 1989)  
Comptes-rendus scientifiques (1982 - 1989)

Recent advances in knowledge of rotavirus diarrhoea - Report of the Scientific Working Group on Viral Diarrhoeas. CDD/VID/82.1 (1982) (EF)

Active and passive immunity to viral diarrhoeas (with special reference to rotavirus diarrhoea). CDD/VID/84.2 (1984) (EF)

The invasive diarrhoeas: A review of diarrhoeas due to Shigella species, Campylobacter jejuni, and enteroinvasive Escherichia coli - Report of the Scientific Working Group on Bacterial Infections. CDD/BEI/82.4 (1982) (EF)

Development of vaccines against shigellosis: Memorandum from a WHO Meeting. Bulletin of the World Health Organization, 65: 17-25 (1987) (French version: Bulletin of the World Health Organization, 65: 167-176, 1987; Spanish version: Boletín de la Oficina Sanitaria Panamericana, 105: 430-446, 1988). Previously document WHO/CDD/IMV/86.1 (EF)

Recent advances in cholera research: Memorandum from a WHO meeting. Bulletin of the World Health Organization, 63: 841-849 (1985) (French version: Bulletin of the World Health Organization, 64: 47-56, 1986). Previously document CDD/BEI/84.3 (EF)

Development of vaccines against cholera and diarrhoea due to enterotoxigenic Escherichia coli: Memorandum from a WHO meeting. Bulletin of the World Health Organization, 68: 303-312 (1990). (French version: Bulletin of the World Health Organization: 68: 549-559, 1990). Previously document WHO/CDD/IMV/89.2 Rev. 1 (EF)

Recent advances in the development of non-antimicrobial antidiarrhoeal agents - Report of the Scientific Working Group on Drug Development and Management of Acute Diarrhoeas. CDD/DDM/82.2 (1982) (EF)

Persistent diarrhoea in children in developing countries: Memorandum from a WHO meeting. Bulletin of the World Health Organization, 66: 709-717 (1988). (French version: Bulletin of the World Health Organization, 67: 123-132, 1989). Previously document WHO/CDD/88.27 (EF)

Recent advances in research on feeding during and after diarrhoea - Report of the Scientific Working Group on Drug Development and Management of Acute Diarrhoea. CDD/DDM/85.2 (1985) (EF)

Research on improving infant feeding practices to prevent diarrhoea or reduce its severity: Memorandum from a JHU/WHO meeting. Bulletin of the World Health Organization, 67: 27-33 (1989). Previously document WHO/CDD/EDP/88.1 (EF)

### 3.2 Reviews of control interventions Analyses des mesures de lutte

Feachem, R.G., Hogan, R.C. & Merson, M.H. Diarrhoeal disease control: Reviews of potential interventions. Bulletin of the World Health Organization, 61: 637-640 (1983) (French version: WHO/CDD/87.18)

Feachem, R.G. & Koblinsky, M.A. Interventions for the control of diarrhoeal diseases among young children: Measles immunization. Bulletin of the World Health Organization, 61: 641-652 (1983)

Feachem, R.G. Interventions for the control of diarrhoeal diseases among young children: Supplementary feeding programmes. Bulletin of the World Health Organization, 61: 967-979 (1983)

Feachem R.G. & Koblinsky, M.A. Interventions for the control of diarrhoeal diseases among young children: Promotion of breast-feeding. Bulletin of the World Health Organization, 62: 271-291 (1984) (French version: WHO/CDD/87.19)

Feachem R.G., Interventions for the control of diarrhoeal diseases among young children: Promotion of personal and domestic hygiene. Bulletin of the World Health Organization, 62: 467-476 (1984) (French version: WHO/CDD/87.20)

Ashworth, A. & Feachem, R.G. Interventions for the control of diarrhoeal diseases among young children: Prevention of low birth weight. Bulletin of the World Health Organization, 63: 165-184 (1985)

de Zoysa, I. & Feachem, R.G. Interventions for the control of diarrhoeal diseases among young children: Chemoprophylaxis. Bulletin of the World Health Organization, 63: 295-315 (1985)

de Zoysa, I. & Feachem, R.G. Interventions for the control of diarrhoeal diseases among young children: Rotavirus and cholera immunization. Bulletin of the World Health Organization, 63: 569-583 (1985)

Esrey, S.A., Feachem R.G., & Hughes, J.M. Interventions for the control of diarrhoeal diseases among young children: Improving water supplies and excreta disposal facilities. Bulletin of the World Health Organization, 63: 757-772 (1985) (French version: WHO/CDD/87.21).

- Ashworth, A. & Feachem, R.G. Interventions for the control of diarrhoeal diseases in young children: Weaning education. Bulletin of the World Health Organization, 63: 115-1127 (1985) (French version: WHO/CDD/87.22)
- Ashworth, A. & Feachem, R.G. Interventions for the control of diarrhoeal diseases among young children: Improving lactation. CDD/85.2 (1985) (EF)
- Ashworth, A. & Feachem, R.G. Interventions for the control of diarrhoeal diseases among young children: Growth monitoring programmes. CDD/86.1 (1986) (EF)
- Feachem, R.G. Vitamin A deficiency and diarrhoea: A review of interrelationships and their implications for the control of xerophthalmia and diarrhoea. Tropical Diseases Bulletin, 84(3): R1-R16 (1987) (French version: WHO/CDD/87.24)
- Feachem, R.G. Preventing diarrhoea: What are the policy options? Health Policy and Planning, 1: 109-117 (1986) (French version: WHO/CDD/87.23)
- Phillips, M.A., Feachem, R.G. & Mills, A. Options for diarrhoeal diseases control. The cost and cost-effectiveness of selected interventions for the prevention of diarrhoea. London School of Hygiene and Tropical Medicine (EPC Publication No. 13) (1987) (ES)
- Esrey, S.A. & Feachem, R.G. Interventions for the control of diarrhoeal diseases among young children: Promotion of food hygiene. WHO/CDD/89.30 (EF)
- \* Esrey, S.A. Interventions for the control of diarrhoeal diseases among young children: Fly control. WHO/CDD/91.37 (1991) (EF)
- 3.3 Technical papers  
Documents techniques
