International Conference on Health Consequences of the
Chernobyl and other Radiological Accidents
20-23 November 1995, Geneva, Switzerland

The Director-General of the World Health Organization presents his compliments to the Governments of Member States and, further to the Notes Verbale dated 12 January and 21 April 1995 on the above subject, has the honour to forward herewith the Programme brochure for the International Conference on Health Consequences of the Chernobyl and other Radiological Accidents, to be held from 20 to 23 November 1995 in Geneva, Switzerland. The Director-General would be grateful if this Programme could be brought to the attention of scientists and health policy-makers who are interested in attending the above-mentioned Conference.

The Director-General avails himself of this opportunity to renew to the Governments of Member States the assurance of his highest consideration.
