

Corrigenda - rev. 3

Global Tuberculosis Control: Surveillance, Planning, Financing

WHO Report 2003

WHO/CDS/TB/2003.316

1) On page 184, the data in row 3 refer to India (not DPR Korea), the data in row 4 refer to Indonesia (not India), and the data in row 5 refer to DPR Korea (not Indonesia).

2) In annex 4 some of the regional notification rates by age and sex ("regional rate" at bottom of page) are incorrectly listed. The correct values (and page numbers) are shown in the table below.

Page	Region	Sex	0-14	15-24	25-34	35-44	45-54	55-64	65+
138	Africa	F	3	46	83	69	50	37	27
150	Americas	F	1	19	18	12	12	14	12
150	Americas	Both	1	21	21	17	19	20	17
162	Eastern Mediterranean	F	2	15	18	16	17	20	19
175	Europe	F	0	8	10	7	5	4	5
188	South-East Asia	F	1	20	27	24	23	21	14

3) On page 15, Table 8A, Croatia is incorrectly listed as a DOTS country. Croatia should appear among non-DOTS countries on page 16, Table 8B, category 1.

4) On page 172, Denmark's non-DOTS treatment outcomes are incorrectly listed. The outcomes should appear as follows:

Regist-ered	% cured	% compl-eted	% died	% failed	% defaulted	% trans-ferred	% not eval	% success
110	37	49	5	0	0	1	8	86
