REPORT ON THE SECOND REGIONAL CONFERENCE
ON MALARIA ERADICATION

Addis Ababa, 16-21 November 1959

CORRIGENDUM

On page 3, third paragraph, last sentence, the name of Dr Tariq Amin, Director of Malaria Eradication, Endemic Diseases Institute, Baghdad, was omitted. Dr Tariq Amin functioned as Rapporteur together with Dr A. A. Shawarby. This sentence should therefore read as follows: "Dr A. A. Shawarby, Director, Insect Control Division, Endemic Diseases Department of the Ministry of Health, Province of Egypt, UAR and Dr Tariq Amin, Director of Malaria Eradication, Endemic Diseases Institute, Baghdad, Iraq were elected Rapporteurs."
