WP/4, Bruce-Chwatt
WP/9, Vincke
WP/11, Husain
WP/13, Bordas
WP/16, various authors
WP/20, Pinotti
WP/23, Bordas, Downs & Navarro (Reprint)
- 4.1.3 Development of resistance of anophelines to insecticides
- WHO/Mal/80, Livadas & Georgopoulos
WHO/Mal/80.Add.1 Addendum, Livadas

1

The Working Papers (hereinafter mentioned as WP) are only distributed to the Members of the Committee and in the original language.

4.1.3 (Continued)

WHO/Mal/85, Trapido
WHO/Mal/89, Senior-White
WHO/Mal/95, Georgopoulos

WP/2, Vargas
WP/3, Annecke
WP/4, Bruce-Chwatt
WP/6, Singh
WP/11, Husain
WP/13, Bordas
WP/16, various authors
WP/20, Pinotti

4.1.4 Interruption of residual spraying after several years of achieved malaria-control

WHO/Mal/79, Livadas
+ WHO/Mal/79.Add.1, Livadas
WHO/Mal/92, Giglioli
WHO/Mal/96, Andrews & Grant

WP/2, Vargas
WP/4, Bruce-Chwatt
WP/11, Husain
WP/13, Bordas
WP/16, various authors

4.1.5 Third and fourth reports of the Expert Committee on Insecticides

WP/16, (Stoker)

4.1.6 Toxic Hazards of insecticides

WP/6, Singh

4.2 By methods other than insecticides

WHO/Mal/84, McArthur

WP/20, Pinotti

5. Chemotherapeutics of malaria

WHO/Mal/100 Covell

WP/1, Schmidt
WP/5, Covell
WP/17, various authors

5.1 Report of the Working Party established at the Fourth Session

5.2 Part that newly synthesized antimalarials might play in malaria-control

WHO/Mal/88, Vaucel
WHO/Mal/93, Vincke
WP/7, Singh
WP/15, Farinaud & Choumara
WP/19, Canet
WP/21, Pinotti

6. Recent scientific developments WP/18, Garnham
WP/24, Rhodain (reprint)
- 6.1 Utilization of P.berghei in WHO/Mal/91, Bibliography
the current study of malaria
WP/8, Singh
WP/10, Vincke
WP/14, Bordas
WP/18, Garnham
WP/22, Pinotti
- 6.2 Cytogenetic methods in the WHO/Mal/83, Russell
systematics of anopheles
WP/8, Singh
WP/12, Frizzi (reprint)
WP/22, Pinotti
- 6.3 Changes of anopheline fauna and WHO/Mal/87, Trapido & Aitken
intra-species changes follow-
ing the application of WP/8, Singh
modern insecticides WP/22, Pinotti
7. Possible extension of international malaria-control activities ---
8. Standardization of procedure in English text : Monograph Series
epidemiological enquiries on No.13
malaria (Report on Malaria French text : roneoed form
Terminology) MH/AS/151.53
9. Fourth Award of the Darling Roneoed document "restricted"
Prize (MH/AS/141.53)
10. Other business -
