Ce relevé contient les renseignements reçus des administrations sanitaires nationales par l'OMS en son siège, ses bureaux régionaux, à Alexandrie et Washington et la Station d'information épidémiologique de Singapour.

Les notifications prescrites par le Règlement sanitaire international et les accords sanitaires internationaux en vigueur, concernant les mesures quaranténaires, les vaccinations et autres sujets, sont publiées telles qu'elles sont reçues des gouvernements, même lorsqu'elles semblent dépasser les dispositions de cette législation. Dans ce dernier cas, le Gouvernement intéressé est averti des divergences constatées.

Les administrations sanitaires sont invitées à présenter toute remarque à l'adresse suivante :

This Record is compiled from information received from national health administrations, by WHO Headquarters, Regional Offices at Alexandria and Washington, and the Epidemiological Intelligence Station at Singapore.

Notifications required under the International Sanitary Regulations and existing international sanitary agreements are, in respect of quarantine measures, vaccination and other items published as received from reporting governments even though the contents of such notifications appear to be in excess of the provisions of that legislation. In the latter event, the attention of the government concerned will be drawn to discrepancies.

Health administrations are invited to address their comments to:
