RÈGLEMENT SANITAIRE INTERNATIONAL — INTERNATIONAL SANITARY REGULATIONS

Certificats internationaux de vaccination:

Méthode d'inscription de la date

Il est rappelé que la date doit être portée sur les certificats internationaux de vaccination sous la forme et dans l'ordre suivants: jour, mois, année — *le mois étant indiqué en lettres et non en chiffres*.<sup>1</sup>

Des difficultés dues à l'emploi de chiffres arabes pour l'indication du mois continuent à être signalées à l'Organisation. Afin d'éviter toute confusion, les autorités sanitaires voudront bien prier instamment les vaccinateurs de suivre la méthode qui a été approuvée.

<sup>1</sup> Troisième édition annotée du Règlement sanitaire international, 1966, p. 44, note 5).

International Certificates of Vaccination:

Method of recording the date

It is recalled that the date on the international certificates of vaccination should be recorded in the following sequence: day, month, year—*the month to be written in letters and not in figures*.<sup>1</sup>

Difficulties arising out of the use of arabic figures for recording the month continue to be reported to the Organization. To avoid confusion, health authorities are requested to urge vaccinators to follow the approved method.

<sup>1</sup> Third annotated edition of the International Sanitary Regulations, 1966, p. 43, note (5).
